

RM Bambrick re-elected president of Suburban League

1935

All officers were re-elected last evening at the 5th annual meeting of The Halifax Mail's Suburban Hockey League, held at Waverley. Opening of play in the league will commence on Saturday, November 16, when three

fast games are scheduled. R. M. Bambrick, Waverley, was re-elected for the fourth time as president, while L. Draper, Rockingham was returned for his second term of office, as vice-president. C. F. Houlihan, Windsor Junction, was sent back as

secretary-treasurer for the sixth year.

Opening Games

The first night of play will see Windsor Junction tackle Bedford, Beaver Bank battling Waverley and Fairview entertaining

Rockingham. Delegates approved of an extension of territory for Beaver Bank, Waverley and Bedford teams, and re-appointed Reginald Beazley as referee. F. G. H. Leverman, donor of the annual trophy donated to the "most valuable player," was among those present.

The Executive

The executive was elected as follows: C. Isnor, Fairview; C. Smith, Rockingham; A. Heffler, Bedford; F. C. Meagher and A. MacKasey, Windsor Junction; D. Boutilier and J. Boutilier, Beaver Bank; J. Dawes and J. Horne, Waverley. Delegates

present included C. Isnor and H. Wright, Fairview; C. Smith and C. Draper, Rockingham; A. Heffler and A. Hartlen, Bedford; F. C. Meagher and A. MacKasey, Windsor Junction; D. Boutilier and J. Boutilier, Beaver Bank; J. Dawes and J. Horne, Waverley.

Rockingham take series in overtime

1936

Nearly six hundred fans turned out Saturday night at the Forum and saw Rockingham's Blue Eagles, last year Suburban League champions, fight to a 1-1 draw with the Bedford squad to eliminate that team from the playoffs for the Suburban Loop title, winning the series 3-2 and clinching second position in the league.

Play Overtime

Based on a total goal system for the two games, thirteen minutes of overtime play was found necessary to decide the issue. Cyril Draper, flashy left winger of the Eagles, was the hero of the game when he banged

home the disc during the extra time as Hartlen, Bedford citadel keeper, came out of his nets to clear. Bedford has previously tied up the series with a third period score when Irvin (Duke) Heffler snapped the puck between the Eagles' posts during a mix-up.

Following the Eagles overtime score seven extra minutes were played to make the even twenty, but the Rockingham boys held off the furious attacks of the Bedford huskies and will meet Fairview next Saturday, eight to nine o'clock in the evening for the first of a two game total goal series for the title and the Herald and Mail trophies.

Secure lead in opening playoff game

1936

Fairview Aces will take a one goal lead into the final game for the championship of the Suburban hockey league. On Saturday night they defeated the champion Rockingham Blue Eagles by a score of 1-0 in one of the fastest games of the series.

The Aces battled through two periods before they could break down the resistance of the Rockingham goalie. They fired no less than sixty shots at the goalie before they finally clicked. On the other hand, Rockingham could get nowhere on the offensive and they settled down to

maintaining a dogged defense.

Late in the third period Earl Hall poked the puck into the Rockingham cage, shooting at close range, following a furious scramble. The Aces attempted to break through for another score but their many efforts were tossed into the discard by the brilliant work of the Rockingham defence.

The two teams will meet next Saturday at the Forum in the final of the two games for the league title.

Reg Beazley and Pete MacDonald refereed the game.
