

## Waverley win opening game

Outplaying Bedford by a wide margin, Waverley Gold Diggers notched up a 3-1 victory to give the two-goal lead going into the final game of a two-game total goal series for the Suburban League championship.

After spotting Bedford one marker for two periods the Gold Diggers turned on a fast attack in the final heat and blazed in three nice tallies.

"Duke" Heffler opened the scoring midway in the

first period to give Bedford their lone tally and in the third period Oakes, Stewart and W. Sawlor made the red light flicker for the Waverley cause.

Sands, Waverley goalie, was outstanding and played a big part in the team's win.

## Waverley wins Suburban title

### Lose final match but win in series

Waverley Gold-Diggers stand atop the Suburban Hockey league today, champions in their favorite league as a result of their 3-2 margin over Bedford in a two-game, total-goal, series that finished up Saturday with Bedford ringing up a 1-0 victory but failing to register the all important tying

counter. Thus Waverley won the title on the result of their 3-1 triumph a week ago. A large and excited crowd watched the play.

### Everything scarce

Neither a score nor a penalty was recorded in the first two periods, although referees Gerald Hayes and Roy Edgar passed out several warnings to players who

persisted in playing a little rough.

Trying to crash the Bedford defence in the second period, Oakes, Waverley star, was sandwiched and slumped to the ice. He was taken off for repairs and it was later discovered he had suffered a broken collarbone, an unfortunate injury.

## Gold Diggers

### lose to Stewiacke

Truro, Feb. 18--By virtue of a 5-3 win over Waverley Gold Diggers here tonight, Stewiacke will carry a two goal lead into the final of the two game total goal playoff series to be played at Halifax, Saturday night, when Suburban hockey champions will be decided. The game was the fastest on local ice this season and was witnessed by nearly 500 fans, the largest crowd at the arena this winter.

### MacCarthy Outstanding

Snappy plays and brilliant stick handling featured all three periods of tonight's tussle. In the opening canto territory play was even but in the final two sessions the Stewiacke squad had the edge in every department. Several of the goals registered against Waverley were soft markers.

Reg MacCarthy was outstanding for Stewiacke counting four of his team's tallies. Robb also starred for the winners with his brilliant end to end rushes featuring the contest. For the Gold Diggers the Sawlor brothers were the best.

### Edge In Play

Three minutes after the first period started, Wallace Sawlor opened the scoring for Waverley, but 30 seconds later Reg MacCarthy evened the count. Ray Sawlor again

gave Waverley the lead when he battled in Stewart's rebound. MacCarthy's long shot from the blue line tied the score before the period closed.

MacCarthy got the lone score of the middle canto giving Stewiacke a 3-2 lead. L. Stewart, Waverley player, suffered a leg injury in this frame and was forced to leave the ice, but he returned for the final stanza.

Stewiacke had a wide edge in the third period. Fleming gave the winners a 4-2 lead when he drove Robb's rebound into the Waverley citadel. Before the period ended MacCarthy counted for Stewiacke and E. Pickrem made the red light flicker for Waverley's third tally.

Avard Mann, who was refereeing the game, twisted his ankle early in the match, but finished the contest although unable to do much skating.

Stewiacke-Miller, goal; MacCarthy, Smith, Donaldson, Defence: R. MacCarthy, R. T. Gaylor, C. Taylor, J. Taylor, Fleming, Robb, forwards.

Waverley-Rand, goal; W. Green, Pickrem, Hibbets, defence: R. Sawlor, P. Sawlor, W. Sawlor, Barbour, Davies, Stewart, forwards.

## First annual contest

### at Halifax rink

Representatives of the Suburban and Northwest Arm hockey leagues met at Kline Heights Wednesday evening to discuss the playing of the county championship game for the Nova Scotia Provincial Exhibition Commission shield.

The league will be known as the Halifax County Hockey Championship League and will be an annual affair, with the champions of the Suburban and Northwest Arm league playing off for the shield which is for perpetual competition.

R.M. Bambrick, of

Waverley, was elected president of the new league with P. L. Marriott as vice-president. C. F. Houlihan was named secretary.

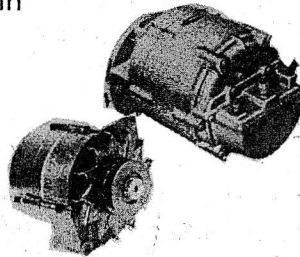

This year's game, between Jollimore, Northwest Arm titlists, and Waverley, winners of the Suburban circuit, will be a sudden death affair to be played on Saturday Feb. 27. If the game ends in a draw there will be a second match the following Saturday and this one will be played until a winner is declared.

Reg Beazley was chosen to officiate as referee.

# Waverley loses 10-4 in series

1937  
Outscoring the Waverley Gold Diggers 5-1 in a ragged, disorganized exhibition at the Forum, Saturday night, Stewiacke retained the championship of the Inter-Suburban hockey league and

The Halifax Herald and the Halifax Mail trophy by a 10-4 margin, having won the first game of their two-game, total-goal series 5-3 at Truro. After chalking up a two goal lead in the first period, the visitors, settled down to

defensive hockey, contenting themselves with breakaway dashes, and breaking up the disorganized Waverley attacks at the blueline.

**Show old form**  
Only in the second period did the Gold Diggers show

the form they displayed throughout the Suburban league schedule as they bottled the Stewiacke boys up inside their own blueline and rained shots on Stewiacke's clever goalie. The speedy first line of Craig Taylor, Reg McCarthy and Havey Taylor account for all five of the Stewiacke scores, with the Taylor brothers notching up a brace of goals apiece, while Wallace Sawlor accounted for the lone Waverley counter.

A minute and a half after the opening whistle the winners shot into the lead on a smart play. Craig Taylor took a pass from Havey Taylor inside the Waverley blueline and scored with a hard shot.

## Strong defence

The Gold Diggers forced the pace from the opening whistle in the second period but were unable to get past the Stewiacke defence. When they did manage to break through the Stewiacke netminder handled their shots brilliantly, holding the Diggers scoreless until the fifteen-minute mark, when Wallace Sawlor belted Lester Stewart's perfect passout into the cords, from directly in front of the net.

Three minutes later Stewiacke added another score. This time Craig Taylor lifted Reg McCarthy's rebound into the meshes

during a wild mixup. Midway through the final period Stewiacke scored again when Reg McCarthy, hero of the Stewiacke game, backhanded Ernie Robb's rebound into the open net after Rand had skated out to make a brilliant save of Robb's hard shot.

Waverley tried desperately to score but their plays didn't click, and they resorted to individual efforts. A few seconds before the final bell the winners marked up the final goal, when Havey

Taylor broke away alone, coasted in on the goalie and fired a hard shot into the draperies.

**Waverley-Goal:** Rand; defence, Pickrem, Hibbits, Green; forwards, Wallace Sawlor, Ray Sawlor, Percy Sawlor, Barbour, Stewart, Davies.

**Stewiacke-Goal:** Miller; defence, Smith, Donaldson, Robb, forwards, McCarthy, Havey Taylor, Craig Taylor, Flemming, J. Taylor, Rodgers.

Referee-Reg Beazley.

## Waverley downs Arm all stars 3-2

### Suburban Titlists cop shield

1937  
Scoring the winning goal late in the final period, the Waverley Gold Diggers captured the Nova Scotia Exhibition Commission shield, held last year by Fairview Aces, when they chalked up a 3-2 victory over the North West Arm All Stars in their annual "sudden death" match for the trophy. Suburban League champions, the Gold Diggers were extended to the limit to hold off the furious drive of the North West Arm pucksters. Fast and exciting from start to finish, the All Stars, paced by Bill "Moose" Martin, thrilled the fans by twice tying the score after the champion Gold Diggers had built up a lead.

## Even count

The teams battled on even terms throughout a fast, clean first period with neither

squad able to mark up a tally. The scoring started midway through the middle period when the Gold Diggers shot into the lead. Lester Stewart, first-string pivot, soloed through to score with a hard shot and pull his team in the lead.

Early in the third period Bill Martin, who was the outstanding player for the All Stars, worked his way through the entire Waverley team to fire a hard shot high into the net. Five minutes later the Gold Diggers were ahead again. This time Wallace Sawlor drilled a hard shot into the All Stars net, while Isner, North West Arm defenceman, was serving a penalty.

## Soft marker

The All Stars put on a spurt in an effort to the score and Bud Malloy Junior, Canadian star, missed the corner by inches with a speedy shot. Al McQuillan banged at a rebound in front of the net but Rand saved cleverly. A few minutes later the All Stars tied the count once more. Bill Martin started from his own blueline, worked around the

Waverley defence and blazed a steaming shot into the net for his second goal.

The powerful Gold Diggers sent attack after attack into North West Arm territory in an attempt to regain their lead. A few minutes before the game ended, John Davies, Waverley centre, scored the winning marker. Chased into a corner by the North West Arm defence, Davies backhanded a slow shot from near the left boards and the puck trickled past Powell for the winning score.

After the game Roy Bambrick, president of Suburban League, who officially started the game, presented Waverley, new winners of the shield with the handsome trophy.

**Waverley-Goal:** Rand; defence, Pickrem, Green; forwards, Ray Sawlor, Wallace Sawlor, Stewart, Davies, Barbour, Percy Sawlor.

**All Stars-Goal:** Powell; defence, Isner, Martin; forwards, McQuillan, Kemp, Vaughan, Mayo, Malloy, Craig, B. Isner.

## Rockingham Eagles

## bow to Beaver Bank

### Beavers 5-3

1937  
Bolstered by the acquisition of two speedy forwards, Art Walker, last year with Simpsons in the Commercial League and Nelson Charlton of the Empire Chain Store squad, Beaverbank Beaver sprang an amazing upset at the Forum Saturday night when the sped to a hard fought 5-3 victory over the highly rated Rockingham Eagles.

Considered the "weak sisters" of the circuit last season, the Beavers finished in last place in the loop standing, but the Beavers of 1938 flashed a fine brand of hockey, and sent out a greatly improved team Saturday night to win over the strong Rockingham squad, in the second game of The Halifax Herald and The Halifax Mail's Suburban Hockey League.

**Beaverbank-Goal:** Woods; Defence, Smeltzer, E. Boutilier; Forwards, Charlton, A. Walker, R. Walker, D. Boutilier, Dauphine, Chipman.

**Rockingham-Goal:** Walsh; Defence, R. Smith, Gifford, C. Smith, Carnell; Forwards, Cyril Draper, Earl MacLeod, Reg Carnell, Roy MacLeod, Charley Draper, Herb Carrol, Ken Carrol.

Referee, Reg Beazley.

## Windsor Junction squad is ousted

### 1938

Five teams were still left in the race for Suburban Hockey league playoff berths following the playing of the final schedule matches Saturday evening at the Forum.

Windsor Junction, downed by Beaver Bank 8-5, was the only team eliminated and the Beavers forced a fourth-place playoff with Fairview.

## Bedford First

Bedford finished the schedule in first place with Waverley and Rockingham

following in order. Beaver Bank and Fairview will play a sudden death match, possibly today, to decide the fourth place playoff team.

Bedford defeated Rockingham 5-3 Saturday evening, Waverley and Fairview played a 5-all draw, and in a high-scoring affair Beaver Bank turned back Windsor Junction by an 8-5 count.

Best match of the evening was the second match between Waverley and Fairview, with the result undecided until the final minute.

# Waverley and Bedford play to 4-4 draw

Playing the first game in the finals of the suburban League at the Forum last night, Waverley Goldiggers and Bedford battled through three fast periods to finish up in a four-all draw.

The series, which is to be two games total scores, is thus deadlocked with the deciding game to be played on Saturday night.

Maurice Oakes, pivoting the first line of the Goldiggers, was the hero of the night in tallying all four markers for his team. He was the right man in the right place and had the number of Hartlen in the Bedford nets, all the way.

## Waverley Scores

Waverley, breaking fast in the opening period, tallied two goals in the middle part of the period and looked good. The first was a pass from Sawlor and the second, a minute later, was the result of a pretty effort by Barbour.

Both teams were travelling fast and if anything, Bedford seemed to be the slower of the two. Sturmev got Bedford into the game at two minutes of the second when he scooped up Jim Godwin's pass and beat Rand from close in. Sawlor passed to Oakes for the next score of the gold miners, and Eric Hartlen, sturdy defence player for Bedford brought

the fans to their feet when he uncorked an end to end rush for the prettiest goal of the night.

## Take Over Lead.

Bedford, one goal down at the opening of the third, turned on the heat and had Waverley on the run as Jack Innes and John Godwin rammed home a couple of tallies that put the redshirts one up. They went on the defensive, but Oakes breaking clear, stickhandled his way through and pulled

Hartlen out of the net to score the equalizer.

With two minutes to go, the play was inclined to roughness. Stewart and J. Hartlen were banished for high sticking and with both teams a man short, the bell brought an end to the festivities.

With little to choose between the two teams, the game of Saturday night should be the highlight of the season.

**First Period**  
1 Waverley-M. Oakes (W. Sawlor) 10:15.

2 Waverley--M. Oakes (Barbour) 11:55

# Windsor Junction six hands Bedford Barons fourth league setback

Kline Heights Rockets and Waverley Gold Diggers battled to their second draw of the season at the Arena, Saturday night, in the opening game of the Suburban League's weekly double bill. The score was 2-2. It was the third tie in four games for the second place Rockets and the second for the Gold Diggers. The split of the points enabled the Waverley six to retain their slim one point margin at the top of the standing and dropped the Rockets into a second place tie with Windsor Junction Pirates who handed the winless Bedford Barons their fourth straight loss in the second game.

## Come From Behind

The Rockets were forced to come from behind twice to gain the tie in the opening game, Vinnie Vaughan providing both goals.

Stailing opened the scoring in less than two minutes of the first period, when he slapped McNeil's pass into the strings behind the Rockets netminder. The Gold Diggers held the lead

until the fourteen minute mark of the middle stanza when Martin passed out to Cuvelier who laid the rubber on Vaughan's stick at the edge of the crease. Vaughan poked the puck into the corner to tie the count.

In the third period Finlay grabbed the puck from a face-off at the Heights' blue line and passed to Oakes. Oakes returned the pass and Finlay skated in fast to score and send the Diggers one up again. Jimmy Sullivan started the play for the final tally which ended with Vaughan ramming the disc home after a brilliant three-man passing play.

**Kline Heights--**Gilfof, goal; Isnor, Hartnett, MacIsaac, defence; Vaughan, Martin, Sullivan, Cuvelier, Blakeney, B. Sullivan, Mayo, forwards.

**Waverley--**Hanrahan, goal; Hilchie, Smith, Stailing, Allen, defence; Kehoe, McManus, McNeil, Oakes, O'Grady, Finlay, forwards.

4--Kline Heights, Vaughan (Martin, Sullivan) 10:20

Penalties--none

**Currie Stars**  
Led by flashy Dick Currie, the league's top scorer, the Pirates outplayed the Barons throughout the second game on the card to hand the Bedford squad their fourth loss and their second at the hands of the Junctionites.

The Pirates swarmed in on the Bedford goalie as the floundering Barons' defence seemed unable to cope with the onslaught. The Bedford netminder had the busiest night of the season as the Windsor Junction team fired a deluge of rubber at his citadel.

The veteran Joe Meagher, playing his first game of the season, rang up the first score in the opening period after Currie had set up a brilliant play with Moore. Hartlen had no chance on the goal.

After a scoreless second canto, Currie, with little more than a minute of play in the last session, fired the winning tally on a pass from Lightfoot. Halfway through the piece Hyland blazed a shoulder high shot past Stevens from the circle for the lone Bedford counter. Stevens played a sensational game for the balance of the period as the Barons pressed in an effort to score the equalizer.

**Windsor Junction--**Stevens, goal; Currie, B. Meagher, defence; Nelson Weaver, J. Meagher, Cashin, Lightfoot, Moore, forwards.

**Bedford--**E. Hartlen, goal; Eric Hartlen, Innis, defence; Young, Hyland, McLellan, Burns, Godwin, Peverill, Hebb, Archibald, forwards.

# Fairview leads Suburban League

Score fourth shutout victory to win 11-0 over Eagles

1948

by Ronnie Slade  
Fairview Aces defending champions are perched on top of the Halifax County Suburban Hockey League standing today after defeating Rockingham Eagles by a 11-0 score at the arena on Saturday night to pick up their fourth victory in as many starts this season—all by shutout scores. In the other games Sackville drew a split to the winning ways of Waverley Gold Diggers when they drubbed them 3-0 and Bedford Barons tagged Windsor Junction Pirates, 3-

Lawson Mosher, in the Fairview goal, may be on his way to a new league record if he continues the terrific pace he has set to date. The blond-haired goal tender is responsible for three of his team's four shutouts, with Roland Timothy drawing credit for the other.

Fairview and Waverley were tied for top spot in the league standing before Saturday night's games but the Sackville team, last year's runners-up, took the first fall from the Gold Diggers. The win for the Bedford squad draws them from the league cellar with their first victory of the season while the lackluster Junction squad is yet to win a game.

The first game was the best of the three but the last fixture, in spite of the one-sided score, produced good hockey.

#### Play next Saturday

Next week, the Morash-coached league leaders will meet Waverley and will attempt to come up with their fifth shutout victory. In the

second game Rockingham will meet the Windsor Junction team and then, in the final game, Sackville will come up against an improved Bedford squad.

Waverley and Sackville are now in a second place tie in the league standing while the Rockingham team is tied with Bedford for third spot with a win and three losses.

Doug Peverill paced the winners in the Sackville-Waverley game, scoring a goal and assisting on the other two. Line-mates Johnny Black and Bernie Smeltzer were responsible for the other two markers. Eight penalties, all minors, were handed out by referee Reg Beazley and the teams split these evenly. The first period produced fairly even hockey but the second session saw the green and whites start to roll.

Neither squad counted in the opening session but Peverill counted the first marker at 4:32 of the second. From the face-off to the right of the Waverley cage, Peverill took the puck and shot a low drive goalwards. Clyde Meagher's vision was blocked completely on the play.

#### Smeltzer scores

At 9:39 Peverill fed Bernie Smeltzer a pass in front of the Waverley goal and Smeltzer beat Meagher for the second Sackville marker. In the third period, Black coasted in on Peverill's rebound and beat the Waverley goaltender easily to finish the scoring for the night.

The second game of the night produced better hockey than was expected. Both

teams turned in their best display of the season and the Junction squad showed much improvement in their team work.

The losers had Frank Osborne, former Army player, in action and he worked well on the line with veteran Charlie Nelson and Watson.

The Windsor Junction team took a 1-0 lead at 8:25 of the second when Charlie Nelson slapped home Osborne's pass from the wing. Verne Whyatt, Pirate's goaltender was penalized for holding a Bedford forward and while Kinsman was

serving his time, Sonny Dory scored the equalizer from Ryan and Nonnie Osmond. At 12:36 Osmond put his team ahead with a high shot which fooled Whyatt completely. Final score of the game came at 13:30 when Ken Steele counted from Ronnie Hartlen.

#### Heavy scoring

Every player but goaltender Lawson Mosher picked up a point in the Fairview-Rockingham match. The Rockingham team failed to show their usual form while the winners turned in their best per-

formance.

Bob Dauphinee was the big gun in the Fairview attack, scoring five of his team's goals, while Normie Moore scored two and assisted on three others. Doug Rockola scored a goal and assisted on two others.

Fairview scored five of their goals in the first period and finished the scoring in the second. In the third, the Aces staged a defensive stand to protect goaltender Mosher's shutout.

# Fairview Aces champions in Suburban hockey loop

Fairview Aces captured the Suburban Championship Saturday night at the Arena as they chalked up their third straight win over Sackville Acadians in a best of five series. Saturday night's game which ended 3-1 for the Aces was a hard fought battle right to the final whistle with the Acadians pressing to pull the game out of the fire. Play was very fast with the added advantage of excellent ice. At times players of both squads began a little extra body checking and a few penalties were dished out being most prominent in the opening frame when five sentences were served, three to Fairview and two to the Acadians.

## Acadians set pace

Saturday's game opened with the Acadians forcing the issue. They held the jump over the Aces as the latter was slow in striking their usual winning stride. The heavier Sackville machine continually bored in but the Aces defensive power was right on the job and Losen Mosher in the Aces cage was given plenty of hot rubber to handle but met the occasion with remarkable ability.

Towards the middle of the frame MacLellan of the Acadians was sitting out a tripping penalty and the Aces in an attempt to capitalize on their opponents' disadvantage played every man up, but their strategy backfired when Doug Peverill of Sackville made a fast breakaway with no one to beat. Going in over the Fairview blue line he lost the puck, but Hanna following up the play gathered it in to coast in close firing his typical bullet shot to tally the first goal of the game giving the Acadians a 1-0 lead.

## Fairview clicks

Going into the middle frame Fairview showed much better form and they began to settle down to their customary smooth passing plays. After carrying the issue to the Acadians end several times they finally broke through with a goal that tied it up, 1-1.

On the play Banfield tipped the disc in the net during a scramble at the goal

nouth, Dauphinee getting he assist.

With the score tied and the Aces gathering momentum Sackville suffered an additional blow when their ace forward, Doug Peverill, was forced out of the game to receive medical attention

over the eye from a high stick.

At the eighteen minute mark in the frame Dauphinee was chased to the sin bin by Edgar for tripping and the Acadians, looking for the payoff, played all forwards which saw the play confined to the Fairview end.

While Mosher was standing of a stiff barrage of shots Rockola garnered a loose puck to slip it out to Fry on the blue line who made a clear break to within fifteen feet of the Sackville goalie larker to let drive a vicious shot that settled in the twine, tallying what turned out to be the winning goal as the Aces led 2-1.

The third period saw Sackville desperately attempt to penetrate the Fairview armor for the tying goal. In spite of the fast two way skating they produced they did not score and Fairview settled down to a semi-defensive pattern of play. With a minute of play remaining in the game the Sackville coach withdrew larder from the age in favor of an additional forward to stay in the running, but once again Fairview got a break away and drifted one in the open net to make it 3-1 putting the game on ice to retain the championship for the Aces for the second consecutive season.

## Present trophies

While spectators and players swarmed over the ice at the close of the game the many valuable trophies that are the proud possession of the league were brought to centre ice to be presented to the various teams and players.

President R. M. Bambrick presented the Herald and Mail trophy, emblematic of the Suburban championship, to the captain of the Fairview team along with the Kaplan Trophy for first place honors and the Morton Trophy.

J.J. Barbour, well-known Suburban promoter, assisted President Bambrick by presenting the Gabriel Trophy to Losen Mosher of Fairview Aces for being the goalie in the league with the least goals scored against him.

Mr. Barbour also presented the Johnson Trophy and the Gordon B. Isnor Trophy for team standing.

The Edwin Hartlen memorial Trophy was presented by Eric Hartlen to Losen Mosher for being the

league. Bob Dauphinee of Fairview was awarded the Meagher Trophy for being chosen as the most gentlemanly and best all round player on the Fairview team.

# Fairview Aces champions in Suburban hockey loop

Fairview Aces captured the Suburban Championship Saturday night at the Arena as they chalked up their third straight win over Sackville Acadians in a best of five series. Saturday night's game which ended 3-1 for the Aces was a hard fought battle right to the final whistle with the Acadians pressing to pull the game out of the fire. Play was very fast with the added advantage of excellent ice. At times players of both squads began a little extra body checking and a few penalties were dished out being most prominent in the opening frame when five sentences were served, three to Fairview and two to the Acadians.

**Acadians set pace**  
Saturday's game opened with the Acadians forcing the issue. They held the jump over the Aces as the latter was slow in striking their usual winning stride. The heavier Sackville machine continually bored in but the Aces defensive power was tight on the job and Losen Mosher in the Aces cage was given plenty of hot rubber to handle but met the occasion with remarkable ability.

Towards the middle of the game MacLellan of the Acadians was sitting out a ripping penalty and the Aces made an attempt to capitalize on their opponents' disadvantage played every man up, but their strategy backfired when Doug Peverill of Sackville made a fast breakaway with no one to beat. Most young boys dream about playing in the NHL, but years ago young boys from Fairview dreamed of playing for the Fairview Aces, and following in the footsteps of a father, an uncle, or friends. The Aces played in the oldest organized league in Canada, the Halifax Suburban Hockey League, which began in the winter of 1927-28 on the ice of Deal's Pond in Fairview. Young men from all over the Halifax-Dartmouth area braved the cold to gather at the pond, lace on their skates, pick up their hockey sticks, and wheel around the ice. They didn't realize it, but when the first puck was dropped to open that game, a tradition that would last over half a century had begun.

In the winter of 1930-31, the Suburban League began with six teams: Waverley, Windsor Junction, Bedford, Rockingham, Fairview, and Beaverbank. Sackville came into the league in 1936, when Beaverbank backed out, and Armdale came in during the war years, replacing Windsor Junction. The Fairview Aces were the pride of the community, winning the league eleven times between 1935 and 1973.

Fairview Aces, Rockingham Eagles and Bedford Barons chalked up wins in the regular weekly Saturday night games of the Suburban League held at the Arena. In the opener Fairview came from behind to take the contest 5-2 while Bedford Barons took an early lead over Waverley Gold-diggers and rode to a 3-1 win. In the finale Bedford Barons upset Waverley Gold-diggers 3-1.

The opening game between the Aces and Pirates was the best of the night. Fraser of Windsor Junction, on an

assist from Frizzle, drew first blood, the only counter in the first frame. The Aces, paced by first-stringer Jackie Edwards, roared back in the second to net three without a reply and added two more in the third with the Junction picking up one, their second of the game.

Edwards scored three of Fairview's five goals and came up with an assist on another. Purcell netted a single from Edwards and Mercer and Gillespie got another from Purcell and Wheaton.

In the second game Rockingham picked up the

only score in the first period when Gerald Francis tallied from Nickerson at the 12:30 mark. Just 30 seconds after play opened in the second, Doug Peverill tied it at 1-1 when he scored for Sackville after taking a pass from Williams.

The final canto saw the Eagles shoot two without a reply. Pelrine netted both for Rockingham, assisted by Earl and Melanson on the first and Chamberlain and Hogan on the second.

One of the biggest upsets of the season took place during the third game when

Bedford Barons topple Waverley Gold-diggers 3-1. The Barons skated off at the end of the first with a one-goal lead, Kenny MacKenzie scoring from T. Legere and Fox. Four penalties were handed out by referee Reg Beazley.

After battling through a score-less second period, Bedford made it 2-0 early in the third when Lefere counted from Steele. One minute later Bob MacDonald saved Waverley from a shutout when he sank one from Bernie MacDonald and Wilson but with seconds to go Bedford added their third

goal.

## Strong finish by Rockingham sinks Acadians

1959

Rockingham Eagles exploded for four goals in the third period to trip the Sackville Acadians, 7-4, to take a 2-0 lead in the best-of-five Suburban Hockey league finals last night at the Forum. The third, and possibly final game, is set for Wednesday night.

The Eagles trailed after two periods, 4-3, although they carried the play throughout. Gil Cook in the Sackville cage could have been booked on grand larceny after stopping 45 shots, at least ten of which

looked like sure goals.

Jed Francis led the Eagles' assault with a pair of markers. Billy West, Cy Miller, Bob Spence, Buddy Gardiner and Ed McSweeney clicked for singles. Ralph Williams picked up a pair for the losers while Chick Charlton and Fred Grace notched one each.

Sackville took a one-goal lead at 6:49 with Williams combining with Thimot and Charlton for the Acadians' first series' marker. West got that one back two minutes less 20 seconds later when he deflected in McSweeney's slap

shot from the side. The Eagles almost got several more, but when Cook wasn't in the way, the posts were. Seconds after he scored, West hit the post on the open side. Melanson bounced one off the top crossbar and Francis and Gardiner were both thwarted by Cook on breakaway attempts.

In the second, Miller put the Eagles ahead at 4:32 firing high to the short corner from 15 feet. Williams got that one back when he broke up the middle to backhand his own rebound into the open corer. Spence clicked on a 10-foot screened shot over Cook's shoulder but Carleton tied it again, poking in the rubber from right in

front after Sieniewicz had dropped it. Grace let go with a screened drive from the blueline that caught the upper right corner to put Sackville into the lead, 4-3. The Eagles again applied pressure but Cook was equal to it, stopping six shots in the space of a minute while Sackville were a man down.

In the finale Gardiner finished off a play with Sandy Munro to tie the score. Gardiner and Spence were both outguessed and Francis fired wide, all on breakaway attempts before McSweeney bounced one in off a Sackville-player's leg for the winner. Munro hit the crossbar after breaking in from the side on a pretty

effort. Francis got his first at 19:08, batting Billy West's rebound through Cook's legs. He clicked again at 19:31 with a waist-high drive from 10-feet out.

# Bay Road club takes Suburban league crown

By George Hanson  
1963

Everything was proceeding along according to script with the two teams tied at the end of regulation time, but the Bay Road Rangers forgot their lines in the overtime, scoring a pair of goals for a 9-7 victory over Bedford Barons and the championship of the Suburban Hockey League last night at the Forum.

The triumph gave Rangers the best-of-seven final in six games. They won the first, third and fifth contests, but dropped a pair of overtime decisions to the Barons between wins.

## Present awards

League trophies were presented between the first and second periods in a special ceremony at center ice. Winners and runner-up team trophies were presented

to Bedford and Bay Road. Trophies for the top three among individual scorers were awarded to Shay, Arnold and Locke of the Barons. The league's most valuable player award went to Gerry Arnold. Hugh Mullane of the Barons was the top goalie, Rockingham's Doug Nicholson the most gentlemanly. G. Brewster of Sackville the top rookie and Sandy Munro of Rockingham, the most valuable player on that team. MacLeod opened the

scoring for Barons at 6:17. He clicked on Tom Legere's centering pass, scoring on a high flip in close. Locke made it 2-0, banging in Arnold's pass from the corner. Petrie got one back for Rangers poking the puck through Hugh Mullane's legs from a scramble. Keddy tied it by finishing off a two-on-one with a quick backhand of Bauld's pass from 10 feet out. Ina Sullivan scored on a dazzling effort to send Rangers ahead at 10:00 of the second. He broke across the

line on the two defencemen, made a quick shift to the left and rifled a bullet from 25 feet that caught the rigging high on the left side. Locke deflected Arnold's slider past Fredericks to tie it again. Jimmy Sullivan scooted all the way up the right side and beat a defenceman before firing to the far again. Locke got that one back on another pretty effort. He beat the defenceman on the left side and then cut back in to foil the other one, dropping back before flipping the disc high

into the right side.

## High shot

Ina Sullivan got his second with a high hard drive from 30 feet that deflected in off the post where it joins the crossbar. Bauld missed the far corner with an open shot from the right wing, and then was off the target with a backhand after working through. Keddy made it 6-4 after taking Shorty Fredericks' pass at centre. He outguessed the defenceman and cut in from a sharp angle to score cleanly with a low drive.

Bedford were not out of things yet and after Bauld fired at Mullane's pads from in close, roared for three goals. Legere got the first, slapping the puck into the open net after Lively centred MacLeod's rebound. Mitchell clicked with a looper that hit Worsley's leg and slithered through Fredericks' legs. Shay shot Barons ahead again, beating Fredericks cleanly on a breakaway from 10 feet. Bauld trickled a shot over Mullane's pad and past the open corner and then Wooden made necessary the overtime by finishing off a play with Petrie and Ina Sullivan.

In the overtime, Worsley clicked for the winner at 3:50. Petrie carried in on the right wing but lost the puck to Jim Lowther. Worsley knocked it loose and connected with a backhand slider. Arnold batted Locke's centering shot through Fredericks' legs and out the other side and then came very close with a 10-footer. Bauld helped make up for his night of personal misery by taking Clary Flemming's pass and hitting the target from in close on the left side to put the game out of reach.

## Eagles boost

## Suburban lead

1963

Rockingham Eagles increased their lead in the Halifax Suburban Hockey League standings to five points with a key, 4-3, victory over Bedford Barons before a large crowd at the Halifax Forum last night.

Armdale Rangers moved into the runner-up spot over Bedford with a 7-4 decision over Waverley Gold Diggers and Sackville Acadians moved up to a fourth place tie with Waverley with a 7-4 win over Fairview Aces.

## Hat for Bauld

Don Bauld connected for a hat-trick to pace Armdale to a 7-4 victory over Waverley in the opening game. It was a come-from-behind effort with the Rangers exploding for six goals in the third period after falling behind 3-1 in the first and 4-1 in the second.

Other Armdale scorers were Clary Flemming with a brace, Brian Bauld and Wayne Keddy. Paul McDonald scored a pair and Phil Stuart and Eric Sawler singles for the Gold Diggers.

Waverley started briskly and for a while it looked like

an upset was in the works. Then the Rangers rallied briskly with one of the best period assaults of the season to date. Jack Oakes held the Rangers off for two periods but the constant pressure finally told.

Fred Grace's hat-trick paced Sackville to a 7-4 victory over Fairview in the second game. Earl Burgess scored twice and Chick Charlton and Wayne Dalrymple once each for the winners.

The Fairview goals went to four different players—Art Ingraham, Ray Frenette, Jack Edwards and Scotty Kane.

## Seventh victory

Rockingham posted its seventh straight victory when it took a hard fought 4-3 victory over the Bedford team in the final game of the night.

Kenny Gardiner led the Eagles with a pair of second period goals. Dave Nicholson and Bobby Spence shot the others.

George Mosher, Bill Gargan and Frank Shay were the Bedford marksmen.

## Fran Shay Suburban champion

1963

Bedford ace Fran Shay was officially crowned scoring champ of the Suburban Hockey League according to figures released today. Shay had a tally of 20 goals and 20 helpings for 40 points—two more points than teammate Gerry Arnold who collected 18-20-38.

Barons, winners of the loop pennant, controlled the top three slots in scoring with Ronnie Locke hitting right behind Arnold at 18-20-38.

Sandy Munro, of Rockingham, was the first "outsider" on the list with 14-14-28 to tie with the Fairview tandem of A. Josey and B. Garagan in points. Josey showed 13-15-28 and Garagan 12-16-28.

Rounding out the leaders was Rockingham's D. Nicholson with 7-16-23.

In goals against averages, Bedford showed the best mark of 2:06 with Mullane working most of their games between the pipes. He also had the circuit's two

shutouts. Bedford goalers allowed 31 goals in 15 games.

Bay Road, with Dutchy Fredericks doing most of the work, was next with 2:40 on 36 goals against in 15 games. Rockingham had 3:66, Fairview 3:80, Waverley 3:86 and Sackville 4:40.

Playoffs continue tonight at the Forum with Bedford and Rockingham locked at 1-1 in their best-of-five series and Bay Road carrying a 2-0 lead in games against Fairview.

## Suburban winners announced

Trophy winners during the regular schedule of the Halifax Suburban Hockey League have been announced by president Alf Hamshaw.

The Leverman most valuable player award went to Gerald Arnold, of the Bedford Barons. The IGA goaltender award went to H. Mullane, also of Bedford. Bedford took the Nu-Way trophy for finishing first in the regular schedule with Bay Road Rangers winning the Past President's award as runners-up.

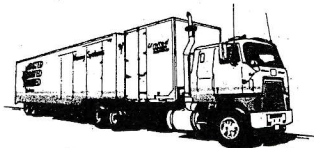

Scoring champion Francis Shay, Bedford, takes home the Porrier award; Gerald Arnold was second for the Economy Master Market trophy and Ronnie Locke, also of Bedford, in third place won the J.J. Barbour award.

Doug Nicholson, Rockingham, topped the poll for the most gentlemanly player award and took the Basin Insurance trophy while Harold's Barber trophy for the rookie of the year went to

G. Brewster, Sackville.

Bedford Barons and Bay Road Rangers are now playing for the league championship and the Herald trophy.

# Barons end series famine, take Suburban loop title

1964

Bedford Barons have finally found their rightful home as rulers of the Suburban Hockey League and they ascended to their newly acquired throne by cutting down Armdale

Rangers, 5-2, at the Forum last night.

Last night's contest, played before the largest crowd to watch a Suburban loop tilt this year, gave Barons the best of five finals in three straight games. Barons captured the opener

4-2 and eeked out an 8-7 overtime verdict in the second clash.

The Halifax Herald Trophy, emblematic of Suburban League supremacy, was presented to the team following the game marking a clean sweep of silverware garnered by Barons in a very successful season.

Other trophies in their collection for the year's work included first place over the regular schedule top goaltender in the circuit in Hugh Mullane and the loop's leader and runner-up in the scoring derby in George Mosher and Bill Garagan.

It marked the first time that Bedford had walked off with the trophy since 1941. Last year Armdale Rangers ousted Barons in the finals and this year the Bedford pucksters gained their revenge.

Smooth skating Gerry Arnold once again led the way for the new champs. Arnold snipped the first three goals as Barons built up an early 3-0 lead. For Arnold, who played a tremendous series, his hat-trick last night gave him a total of seven goals for the three games. He scored three, including the winner in the 8-7 overtime encounter.

Besides Arnold, Ron Locke and Terry Heffler each blinked the red light once.

Rangers' top marksman Wayne Keddy and Clary Flemming accounted for the two Armdale tallies.

Although Armdale enjoyed a wide margin in play, Hugh Mullane in the Barons'

cage prevented the Rangers from capitalizing on their many shots. Rangers outshot Bedford, 37-16.

Bedford scored the lone goal of the opening period as Arnold connected at 1:27. Two goals by pivotman Arnold, 44 seconds apart in the middle stanza put Barons into a 3-0 lead. His first came at 2:45 on passes from Shay and Locke and this same combination clicked less than a minute later.

Armdale got right back in the game with two goals before the period ended to cut the lead to one. Wayne Keddy put Rangers on the scoreboard at 12:10 and Flemming made it 3-2 at 15:32. Locke and Heffler added insurance markers for Bedford at 3:29 and 15:40 respectively of the final 20 minutes to put the ribbon on the Barons' championship package.

# Canadians, All-Stars Break Even

Halifax Junior Canadians split a pair of weekend exhibition games with the Metro All Stars, dropping the first game on Saturday night 4-3, and winning the Sunday encounter 12-3. The Canadians, first place finishers in the Maritime Junior "A" loop, are awaiting the winner of the Charlottetown-Moncton semi-final. A goal by Barry Icelor, at 13:55 of the third period gave the All Stars the Saturday night victory. The winners led 3-2 at the end of the first period but the Canadians tied a 3-2 win over Charlottetown, while Steve Robinson and Jim Reid have been setting the stage for Icelor's goal.

Stars were Jerry Arnold, McClair, and George Wooden. Al Demchuck scored a pair of goals for Halifax and Jim Reid one. Maritime Junior "A" scored four goals on Sunday to lead the Canadians to the overwhelming win. John Verxa, and Jim Cochran each netted a pair for the winners while singles went to Mike McNameara, Al Demchuck, Barry Toner and Len Little. All Stars scorers were Moe Cannon, Don Bauld and Ed Tughr. Three players from the Colonels in the Metro-Valley Junior "B" loop made their debuts in Canadians uniforms on Sunday. Willard Cavich, a Metro High School all star, was impressive in his first start while Steve Robinson and Rod Lyons also earned a berth on the parent club.

## BIG GUNS FOR BABY HABS

## THREE PERIODS

**1972**

# Sackville only gainer in Suburban loop play

1972 Sackville blanked Rockingham, 2-0, last night to jump over two teams and move to third place in the Suburban Hockey League.

In other games last night at the Forum, the results failed to shatter the first place tie between Fairview and Bedford.

Both won. Fairview shaded Waverley 2-1, and Bedford gained an early four goal lead and then had to battle hard to trip Armdale, 5-3.

Dave McKigney scored both the Sackville goals. The shutout was registered by Gil Cook.

John Hartlen shot the winning goal for Fairview at 8:33 of the final period and then the Fairview squad was forced to hang on at the end as Waverley, with a two-man advantage, applied the pressure. The lone Waverley goal was by Bob McClair. John Roach had given Fairview a 1-0 first period lead.

Armdale made a strong

comeback against Bedford, narrowing the gap to 4-3 on goals by Len Limpert, Ken Wilson and Charlie Reeves before Gerry Arnold bagged the insurance marker for Bedford at 12 minutes of the final frame. The other Bedford goals were triggered by Bill Gargan, Harvey Fredericks, Dave Archibald and Cliff Mullaney.

# Croucher sparks Fairview Aces' Suburban victory

1973 The Fairview Aces led by Gary Croucher's five-point performance downed the Sackville Centennials 5-1 at the Halifax Forum last night to win the Halifax Suburban

Hockey League championship and the Halifax Herald Limited Trophy.

The win enabled the Aces to take the best-of-three series with a record of two wins and one tie.

Croucher figured in on all five of the Aces' goals as he scored twice and assisted on three others.

The game's first period did not produce any scoring and then the clubs had a un-

scheduled 50-minute break in between the first and second periods. The Forum's ice machine broke down and there was a 50 minute delay between the periods until Forum maintenance men were able to tow the ice machine off the ice surface.

Croucher scored the game's opening goal at the 12:50 mark of the second period on a breakaway. Jamie McConnell of Sackville tied the game beating Fairview goalie Tom

McCarthy, voted the most valuable player in the playoffs, with a back hand shot.

Croucher then helped to set up Butch McNeil's goal at the 18:31 mark of the period to give Fairview a 2-1 lead going into the final stanza. Croucher's second goal of the game and two tallies by Steve Robinson in the third period completed Fairview's scoring.

Following the game the

Herald Trophy was presented to Fairview as well as individual awards to McCarthy and Don Bonner of Sackville. Bonner was the leading scorer in the playoffs with five goals and five assists for a 10 point total.

The league's president, Garth Scott, also presented trophies for accomplishments during the regular season. The Bedford Barons received the Presidents' Trophy for winning the regular season while second place Waverley received the runner-up trophy.

Individual awards were presented to John Hartlen of Fairview as the league's leading scorer. Awards were also presented to second place point-getter Terry Hefler of Bedford along with Steve Robinson, Fairview, and Donald Bauld of Waverley, who tied for third place in the scoring race.

Bauld was also voted the league's most valuable player. Bedford's Gil Cooke won the best goaltending award and teammate Stu Scott was selected as the best defenceman.

Waverley goalie Gary Withers was voted the rookie of the year and Withers' teammate Paul Wilson as the most gentlemanly player.

## Cooke: Second shutout

1973

Gil Cooke recorded his second consecutive shutout as Bedford turned back Fairview 2-0 in the first of two games in the Halifax Suburban Hockey League at the Halifax Forum last night.

Terry Hefler scored for Bedford in the first period and he set up Stewart Scott's goal late in the third.

A goal by Don Bauld at the 6:00 mark of the third period gave Waverley a 2-2 tie with Sackville in the other Suburban contest.

Paul Wilson gave Waverley a 1-0 lead at 7:23 of the second period but Sackville tied the score when Bernie Bishop scored at 14:37.

Sackville took the lead on Mike Fifield's goal early in the final period.

# Aces, Centennials win openers in Suburban playoffs

Fairview Aces and Sackville Centennials chalked up victories as the semi-final series of the Halifax Suburban Hockey League opened last night.

Fairview scored four third period goals to dump Armdale 6-4 while Sackville edged Bedford 2-1. Both semi-finals, best of five affairs, continue next Monday at the Bedford Arena.

Percy Paris sparked Fairview with two goals. Singles went to Butch MacNeil, Dan MacPhee, Gary Croucher and John Hartlen. Ron Oakley, Oland Richard, Dave MacKay and Morgan replied for Armdale.

Brian Murphy's goal early in the third period gave the Centennials its win over the Barons.

After a scoreless first period Gerry Arnold gave the Barons a 1-0 first period lead. But John McBride tied the game before the period ended.

## Aces' McPhee triple winner

Dan McPhee of the Fairview Aces is a triple winner among the awards announced yesterday by the Halifax Suburban Hockey League for its regular season play.

McPhee won the league scoring championship, was named the most valuable player and most gentlemanly player in leading Fairview to first place during the regular season.

Don Bonner of Sackville was named coach of the year, while one of his players, Mike Chandler, grabbed the rookie of the year award.

Waverley stood out defensively with its players Wayne Decker, named the defenceman of the year, and goalies Jim Burke and Joe Cole taking honors in their department.
